From: Edmonton Interdistrict Youth Soccer Association Board of Governors

On Monday, February 24th the Edmonton Interdistrict Youth Soccer Association (EIYSA) office was informed by St. Albert Soccer Association and the Edmonton Scottish United Soccer Club that they would be joining Edmonton Minor Soccer Association (EMSA) beginning in the 2020 outdoor season.

EIYSA is made up of its member clubs – those member clubs together govern the association, guide the association and set the vision and long-term strategic goals. EIYSA is dedicated to the leadership and development of elite youth soccer programs in the Edmonton area.

With 2 clubs leaving EIYSA our mission has not changed, EIYSA's 9 clubs are focused and committed on continuing to implement the best developmental environment for all of its athletes. Together, we will maintain offering a player pathway that focuses on development spanning from the grassroots level to the highest youth developmental league in Alberta – the Alberta Youth Soccer League.

Since its inception EIYSA has always strived to create an elite soccer program for Edmonton's finest youth soccer players. EIYSA is recognized in Alberta and Canada as one of the leading producers of talented soccer players.

The 2020 outdoor season will be no different than any other – we will continue to operate successful leagues at all age categories. We look forward to continuing our partnership with EMSA and together further developing the Greater Edmonton Soccer League. Our clubs are committed to provide a fun, safe, accessible and inclusive development program that seeks continuous improvements to help players fulfil their potential on and off the field.

We look forward to a successful season!
